Annex to Request to Participate/Tender, "Declaration of commitment concerning reliance on the resources of other undertakings/subcontracts"

Reference number: _____

Declaration of commitment concerning reliance on the resources of other undertakings/subcontracts

(to be completed and submitted by the other undertaking)

Note: A candidate or tenderer can call upon the capacities of other undertakings to meet the requirements for a particular public contract in terms of economic and financial standing as well as technical and professional ability. A candidate or tenderer may also, or in addition to the aforementioned option, subcontract parts of the contract to another undertaking. In both cases, the tenderer must submit the following declaration to prove that it actually has access to the resources required for the contract.

We,

_____

(company name of the other undertaking)

commit to the candidate/tenderer

_____

(company name of the candidate/tenderer)

to provide this candidate/tenderer with the following services or technical, personnel and/or financial resources for performance of the contract, should this candidate/tenderer be awarded the contract in the above-mentioned contract award procedure.

We declare that we have access to the aforementioned technical, personnel and/or financial resources to provide the contractually agreed services described above.

_____

Place, date   Stamp/signature of the other undertaking

This declaration must be completed in full, signed/stamped and attached to the tender and/or request to participate (in the case of reliance on the resources of other undertakings) or submitted at the latest before the contract is awarded (in the case of subcontracting) in the original when submitted in paper form, otherwise scanned as a pdf file.
